

# GAMEDE NOKUHLE PORTIA

## Profile

Confident to say that I offer strong interpersonal and task prioritization skills, able to perform and deliver desired results. I would like to suggest that I am a critical, creative, and analytical thinker. I am really good with observations and have good communication skills. I am able to blend and adjust very easily in any environment, and a great leader is who I aspire to be. I am able to multitask which improves my speed whenever I am tackling anything. Driven to deliver above expectation.
